- August 2005.

Fort Wayne, Indiana 46825, Wednesday, August 31, 2005 – SWS-Trimac, Inc. moves Engineering Services to Fort Wayne, IN.

It is the long-term goal of SWS-Trimac, Inc. to develop a separate Research and Development Facility to perform start-ups, small quantity jobs (e.g. 10 parts), customer demonstrations, etc. The sales office was created in December of 2004 and this move of the Engineering department is the next step. The next step is to build a plant to quarter shop facilities.

- September 2005.

Saginaw, Michigan 48604, Friday, September 30, 2005 – SWS-Trimac, Inc. Production Facility Adds New Haas VF2

Production machining work continues to grow in the Saginaw Production Facility. In order to accommodate this increase a new Mill was purchased.
