- First Open House A Success

Saginaw, Michigan 48604, September 1, 2004 – SWS-Trimac, Inc. held its first Open House in 37 years of business, on August 26, 2004. Customers and vendors from near and far participated in this event. Plant tours were given highlighting the new equipment we have added and the new departmental space that was created in the previous month. This event was a great opportunity for our customers to see our large customer and vendor base. Approximately 100 people attended this event.

- New Sales Office Opens in Fort Wayne, Indiana

Fort Wayne, Indiana 46825, December 31, 2004 – SWS-Trimac, Inc. has opened a new sales office in Fort Wayne, Indiana to offer our services to the local Indiana businesses. Currently, this office is only a sales office, but the plan for 2006 is to bring some machining and welding services to Fort Wayne and the surrounding communities.
